Creepy Blanket

2019, 2'45''

Halloween preparations are ready! Mr Raven is carving his final pumpkin while Koyaa is already in bed. During the night, as he's dreaming, his blanket slowly starts sliding off. He pulls it back up, but it slides off again ... He pulls with both hands, but the

blanket pulls back, snatching him off the bed and carrying him around like a magic carpet. He keeps his balance by flapping his arms, but eventually crashes anyway. It looks like Koyaa's in for a long night.
