Silly Stickers

2017, 2'45"

Koyaa plans to paste some stickers onto the window of his house, while Mr Raven sticks glue to the wire frame of his new creation. Koyaa tries pasting the stickers onto the glass, but they keep coming unstuck one after another. He tries holding them

down, but they slip away, floating in the air, chuckling. Koyaa is desperate to find a way to get the silly stickers to stick! Finally, he gets a brilliant idea. Soon enough, the stickers are on the window and Mr Raven's latest birdhouse is complete.
